## Family Activities

At RVA, we encourage curiosity and exploration —  
in this spirit we welcome *all* kids and families to participate in our monthly events.

~ Open to ALL Kids & Families ~

# FREE

Bring the family or drop off your students to explore a different topic or theme.

Children under 5 must be chaperoned by an adult at all times.

**3:00pm - 5:00pm**

	Dec. 17 <sup>th</sup>	~	<b>Middle Ages and Family Crests</b> <i>Find out just how heavy chainmail was – try on one of our coifs or shirts. Then learn the reason knights wore such colorful clothes and design your own family crest.</i>
Jan. 28 <sup>th</sup>	~	<b>Classic Games</b> <i>Before Xbox, before Gameboy, before Pong, kids played games like Tiddly Winks, Jacks, Hopscotch, and Skittles. They shot marbles and drew their own Battleship game boards. Learn what you can play when the electricity goes out.</i>	
	Feb. 11 <sup>th</sup>	~	<b>Using an Abacus for Fun and Learning</b> <i>You know how to use a calculator, but what did people use before electricity? Over 2000 years ago in China they used the abacus. The abacus is a powerful tool still used around the world to add, subtract, multiply, and divide.</i>
Mar. 11 <sup>th</sup>	~	<b>Celebrate International <math>\pi</math> Day</b> <i>We'll measure circumferences and diameters, sing <math>\pi</math> carols, then eat Julian pie! The tastiest math lesson you'll ever have.</i>	
$2_3 5_7 11$ $f(x)$	Apr. 8 <sup>th</sup>	~	<b>Math Tricks and Games</b> <i>Do you love math? Come play with primes, learn a shortcut for multiplying two-digit numbers, and figure out functions.</i>
May 20 <sup>th</sup>	~	<b>Logic Games</b> <i>A wide variety of logic / critical thinking games will be out for children to explore. Check out some of the 350 games RVA students love to play: Gravwell, Ghost Blitz, Fauna, Staxis, 7 Ate 9 are just some of the choices they'll have.</i>
